The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Baruch Houses Fire Alarm System Upgrades in fiscal year 2025. The entity to receive funding for this project is the New York City Housing Authority located at 605 FDR Drive / 294 Delancey Street, NY, NY 10002. This funding would be used for a new fire alarm system. The project is an appropriate use of taxpayer funds because the project will benefit the community by providing the most up-to-date emergency equipment which will have positive effects throughout the development and surrounding areas. Upgrading fire-detection equipment in this residential building will benefit the residents and the general public at large.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Goldman'.
