The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Engine Company 228 Generator in fiscal year 2025. The entity to receive funding for this project is the Fire Department of New York located at Engine 228 – 436 39th Street in Brooklyn, NY 11232. The funding will be used to support a generator, facility build-outs and roofing reinforcement. The project is an appropriate use of taxpayer funds because as New York City sees more unprecedented weather events, it is imperative that firehouses are equipped with the power and energy necessary to respond to emergencies, especially firehouses near large bodies of water, like Engine 228.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Goldman'.
