The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Lower East Side Rehab (Group 5) Building Window Replacement in fiscal year 2025. The entity to receive funding for this project is the New York City Housing Authority located at 89-99 Avenue C New York, NY, 10009. This funding would be used for the installation of new windows at this development. The project is an appropriate use of taxpayer funds because there are over 100 tenants residing across two residential buildings at the NYCHA Lower East Side Rehab (Group 5) development. This is a priority project because the installation of new windows at this development would provide upgrades to the apartment as well as provide cost-savings to the development since the new windows would prevent air leaks and secure heat or cool air within the unit.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
