The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Older Adult Mobile Vans in fiscal year 2026. The entity to receive funding for this project is the New York City Department for the Aging located at 2 Lafayette Street, 7th floor, New York, NY 10007. The funding will be used to purchase 5 older adult mobile vans that will fit 25 passengers in each unit. The project is an appropriate use of taxpayer funds because mobility and transportation concerns are some of the most frequently listed issues which older adults experience. These vans will connect older adults to services such as access to meals, case assistance, socialization, health supports, and a number of other programs and services provided in older adult centers throughout the 10th Congressional District.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dan Goldman".
