The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYC 911 Subpoena Automation Project in Fiscal Year 2027. The entity to receive funding for this project is the City of New York, located at 1 Centre St., New York, NY 10007. The funding would be used to develop an automated system to respond to subpoena requests for 911 audio and related records through the NYPD eSubpoena system. The project is an appropriate use of taxpayer funds because it will reduce backlogs caused by manual retrieval of records and improve the efficiency of the criminal justice system while generating taxpayer savings.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
