The Honorable Rosa DeLauro

Committee on Appropriations

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Engine Company 228 Generator in Fiscal Year 2027. The entity to receive funding for this project is the Fire Department of New York, located at 9 Metrotech, Brooklyn NY 11201. The funding would be used to support a generator, facility build-outs and roofing reinforcement. The project is an appropriate use of taxpayer funds because firehouses need to be equipped with the power and energy necessary to respond to emergencies, especially as New York City sees more unprecedented weather events.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
