Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Façade and Roof Repairs for Engine 28/Ladder 11 in Fiscal Year 2027. The entity to receive funding for this project is the Fire Department of New York, located at 9 Metrotech, Brooklyn NY 11201. The funding would be used for roof replacement and exterior façade and parapet waterproofing at Engine 28/Ladder 11. The project is an appropriate use of taxpayer funds because the current brick building where this firehouse is located has a leaking roof and ongoing water infiltration problem. By investing in a new roof and exterior waterproofing at Engine 28/Ladder 11, members at this house will be even better positioned to provide top-notch emergency response to NY-10 constituents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
