Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Youth Community Safety Initiative in Fiscal Year 2027. The entity to receive funding for this project is Henry Street Settlement, located at 265 Henry Street, New York, NY 10002. The funding would be used to provide at-risk youth with higher education and career readiness in order to overcome substance use disorder for those who are incarcerated in New York prisons and jails. The project is an appropriate use of taxpayer funds because it provides 400+ at-risk youth positive recreational and youth development opportunities that keep them off the streets and away from crime, in addition to reducing recidivism. This work goes to support the resources of the local New York City Police Department from responding to crime.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
