Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the M034 P.S. 34 Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the NYC Department of Education, located at 52 Chambers Street, New York, NY 10007. The funding would be used to upgrade the auditorium for public school students. The project is an appropriate use of taxpayer funds because modernizing seating and improving the stage area allows the space to be used for a number of events, including theater, community gatherings, and student assemblies. Updated seating helps prevent injuries and supports physical health, especially for growing students.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
