The Honorable Rosa DeLauro

Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Baruch Addition Exterior Lighting in Fiscal Year 2027. The entity to receive funding for this project is the New York City Housing Authority, located at 90 Church Street, New York, NY 10007. The funding would be used to install exterior lighting surrounding the building to help deter crime in the area. The project is an appropriate use of taxpayer funds because it will help deter crime and public safety activity that is often called into the 911 system. The New York City Police Department will be able to patrol the audience without having dark blind spots where illegal activity is taking place.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
