Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the LaGuardia Fire Protection Upgrades Project in Fiscal Year 2027. The entity to receive funding for this project is the New York City Housing Authority, located at 90 Church Street, New York, NY 10007. The funding would be used to upgrade the fire alarm system. The project is an appropriate use of taxpayer funds because it will benefit the community by providing the most up-to-date emergency equipment which will have positive effects throughout the development. Upgrading fire-detection equipment in these buildings will benefit residents.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dan Goldman'.
