Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Expanding Recovery Resources for the Justice Involved in Fiscal Year 2027. The entity to receive funding for this project is Phoenix Multisport dba "The Phoenix", located at 2239 Champa St, Denver, CO 80205. The funding would be used to support individuals overcoming substance use disorders who are incarcerated in New York prisons and jails to reduce recidivism and provide tools to create safer environments when coming out of the prisons and jails. The project is an appropriate use of taxpayer funds because it supports the work of New York City and New York State Correctional Facilities in addressing harmful behavior and connects individuals back to their communities in Brooklyn.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
