Dear Chairman Cole and Ranking Member DeLauro,

I am requesting FY2027 Community Project Funding for the New York City Department of Small Business Services South Brooklyn Marine Terminal Roadway Infrastructure project. The entity to receive funding for this project is the Department of Small Business Services, located at One Liberty Plaza, 11th Fl, New York, NY 10006. The funding would be used for a comprehensive roadway and pedestrian infrastructure improvement at the 29th Street and 2nd Avenue nexus within the South Brooklyn Marine Terminal (SBMT) campus. The project is an appropriate use of taxpayer funds because it will address failing infrastructure and roadway conditions that have caused recurring potholes, standing water, and unsafe pedestrian access at a critical entrance to the South Brooklyn Marine Terminal. The improvements will provide a permanent fix to the underlying infrastructure, restore safe and reliable access to Sims Municipal Recycling, and enhance both vehicular and pedestrian safety while reducing ongoing maintenance and operational disruptions.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Goldman".
