The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Gowanus Houses Fire Alarm System in fiscal year 2026. The entity to receive funding for this project is the New York City Housing Authority located at 90 Church Street, New York, NY 10007. This funding would be used for a new fire alarm system. The project is an appropriate use of taxpayer funds because the fire alarm system in the Gowanus Houses is a safety and quality of life issue. This project involves identification, removal, and replacement of all existing fire detection system components, both operable and inoperable.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Goldman
Member of Congress
