The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Red Hook East Community Center Elevator Replacement in fiscal year 2026. The entity to receive funding for this project is the New York City Housing Authority located at 90 Church Street, New York, NY 10007. This funding would be used to include an elevator replacement at the Joseph Miccio Community Center, which is located on the campus of the NYCHA Red Hook East housing development. The project is an appropriate use of taxpayer funds because an elevator replacement is needed to provide facility improvements and address accessibility needs of both NYCHA tenants and community members who visit the center for programming and services. Older adults and those with disabilities would benefit from using a new elevator at the center. The elevator at this community center is in dire need of replacement.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Dan Goldman
Member of Congress
